

JOIN OUR RESEARCH STUDY!

We want to learn about language in autistic cochlear implant users and we need YOUR help!

Who?

- Caregivers of kids in the following groups:
 - Autistic Cochlear Implant Users
 - Autistic Children with Typical Hearing
 - Non-Autistic Cochlear Implant Users
 - Non-Autistic Children with Typical Hearing
 - Autistic children should be officially diagnosed and Cochlear Implant Users should have had their CI for 6+ months prior to participation

Where?

- Phase 1: Complete an online questionnaire
- Phase 2: Some will be invited to participate in an interview and/or child language sample at BYU or on Zoom

Why?

- Help increase knowledge about the language development of autistic cochlear implant users
- Everyone who completes a survey will be entered into a drawing for one of four \$25 Amazon Gift Cards and those who participate in phase 2 will be compensated \$20 an hour for their time in cash

How?

- Scan the QR Code or send us an email to join or learn more!
